internal organs, joints and even the mouth, eyes, ears, nose, and skin "i can do one of three things  
personaledoctor.com

www.grantpharmacy.net

this describes fox news, a lot of flash and pretty things, entertainment to keep us glued to the tv, a little news  
which you might get somewhere else, but not much else.

the fantasy was shattered right then as i confronted the reality of my study habits: i'm sure there is an app out  
there ndash; i just have no desire to find it
